

MAN WHO IS BOUND TO MATTER

We can also say man who fettered himself or herself to matter, or who let himself or herself to be fettered by matter. Let us look around us at everything that surrounds us. Or, better said, what we are surrounded with. It is a dead matter from a big part!

Dead, toxic and heavy matter in whatever form. We burden and polluted ourselves and also our planet in doing so. We destroyed with our wanting to have and to own in 100 years what has been developed during millions of years! We destroyed the planet Earth that is not ours! The manner in which we gain the matter was not important for us, important is only the possession. Someone buys it, someone also steals it. Often it is not important if we need it or not, because who knows? – Maybe we will need it one day.

But it is important for man to get rid of dependence on this dead matter. So man has just as much matter as is necessary for him or her for living, and when man already has it, it is important for him or her to take care of it as a possession that is entrusted to him or her, not as his or her own possession. It is important for him or her to be helpful in development of matter that is alive (animated – over-glowed by animistic powers), which has been entrusted to man so that he or she could develop himself or herself spiritually on the earth; such as soil, trees, stones, etc., everything that has already been here long before the development of man. And if man went this direction in development, he or she would realize that he or she does not need dead matter at all, after some time!

We should support the living matter, because it supports our bodies so that they can live and it supports everything, including what man is not able to see.

*It is necessary for man to untie himself from dead matter. There will come an hour in which man will certainly lose it anyway; just the same way that it has always happened in the past, in previous lives. It used to be said: “No-one will take it to the grave.” It is true, no one will take the matter as we know it here on Earth with him or her to other worlds, but he or she **TAKES dependence** on the matter with him or her!*

(This is naturally valid for all dependences – relationships, alcohol, cigarettes, food, money, and also for the other negatives such as – envy, malevolence, robbing of an individual or a state...)

The individual will go forward after his or her physical death according to that; there is a strict rule:

“Birds of the same feather flock together!”

*There is another valid rule as well, that says that we can only atone our deeds **there**, where we committed them. So the ones made in gross-matter, for example here on Earth, have to be closed in gross matter. But it is important to state here, that the gross matter is getting near to its end, just the same as ethereal matter does. Do you understand the seriousness of these happenings? There will come a time when there is not a place in which you can atone your bad deeds!*

But still man can awake, but he or she has to want and he or she often has to beat his or her ego, if he or she does not want to walk towards his or her hard destiny.

But a man who already does not cling to matter in this earthly life, and who does not do everything possible (does not cheat or steal) in order just to have it, even breaking the commands of God in order to have it, he or she has already detached himself or herself from matter; he or she is lighter and can go on. If he or she strives to support and evolve life of living matter by his or her possibilities and capabilities, and to transform dead matter to living one (spiritualize his or her environment), then he or she goes the right way, because he or she supports the Creation of our Lord, our God. He or she does not destroy, but they evolve. Even also departure of such man from this earth will be simpler and nicer. Then the

matter will not burden him or her and pull him or her down. He or she will be light and he or she will be able to ascend beautifully up to the Light.

Therefore, let us all look mainly on us. And let us look to our near environment, which we live in, which was entrusted to us – flats, houses, and gardens. Let all of us let the Light into them, because the Light is life. But remember that the homogeneity is necessary also here and therefore we have God's commandments here. Let us ask question ourselves, honestly, humbly, without looking at the other one: Do I support dead matter, or living matter???

Let us listen the soul and not the intellect. Let us obey the good oriented advice, in obeying of which we can help the Creation of our Lord. Let us support the life and beauty through our thoughts and deeds. Let us put away the things, which are not necessary for us in present life. They only burden us and so we burden the Earth as well!

Let us know and vibrate in the laws of our Lord, because there is only left a little time for us. Do not waste your life in hesitation and in using intellect in the way that completely failed – intellectual humanity, which fettered itself by matter through intellect.

Our present life is maybe the last one!

Gospel of Matthew, Chapter 13/10-14: “10. The disciples approached him and said, “Why do you speak to them in parables?” 11 He said to them in reply, “Because knowledge of the mysteries of the kingdom of heaven has been granted to you, but to them it has not been granted. 12 To anyone who has, more will be given and he will have superfluity; from anyone who has not, even what he has will be taken away. 13 This is why I speak to them in parables, because “they look but do not see, and hear but do not listen or understand.” 14 Isaiah’s prophecy is fulfilled in them, which says: “You shall indeed hear but not understand you shall indeed look but never see.”

“Gospel of Mark 13/5-13: “5 Jesus said to them: “Watch out that no one misleads you. 6 Many will come in my name, claiming, “I am he (Christ), and will mislead many. 7 When you hear of wars and rumours of wars, do not be alarmed. Such things must happen, but it still is not the end. 8 Nation will rise against nation, and kingdom against kingdom. There will be earthquakes in various places, and famines [and chaos]. These are the beginning of birth pains.

9 You must be on your guard. You will be handed over to the judgement and beat in the synagogues. On account of me you will stand before governors and kings as witnesses to them. 10 And the gospel must first be preached to all nations. 11 Whenever you are arrested and brought to trial, do not worry beforehand about what to say. Just say whatever is given you at the time, for it is not you speaking, but the Holy Spirit.

12 Brother will betray brother to death, and a father his child. Children will rebel against their parents and have them put to death. 13 Everyone will hate you because of me, but the one who stands firm to the end will be saved.”

Gospel of John 13/16-20: “16 Very truly I tell you, no servant is greater than his master, nor is a messenger greater than the one who sent him. 17 Now that you know these things, you will be blessed if you do them. 18 I am not referring to all of you; I know those I have chosen. But this is to fulfil this passage of Scripture: “He who shared my bread has turned against me. 19 I am telling you now before it happens, so that when it does happen you will believe that I am who I am. 20 Very truly I tell you, whoever accepts anyone I send accepts me; and whoever accepts me accepts the one who sent me.”
